### BEFORE DAYLIGHT SERVICE FOR SOUTH SIDE READERS

The Republican's New Track Machine  
For the Saving of Time.

The southside subscribers of The Arizona Republican will in a few days be given a "before daylight" service of this paper in every respect. A new railway track machine was ordered from the factories several weeks ago and it should be here before the end of the month, that gives promise of being about the fastest speeder in the territory. With it the regular southside carrier can make the run from Phoenix to Tempe and Mesa, delivering the papers along the way, in 45 minutes.

The class of foot power machine used in the past has grown entirely inadequate for the present increased volume of business. The heavy weight of the big number of papers now being taken to the southside every morning has almost put the machines and riders out of commission.

All that the carrier will have to do is to watch the machine and burn the early morning air. The subscribers are assured that the present delay in the morning delivery will not continue long and that soon the Mesa reader can every morning feel his way in the early darkness to the paper on the sidewalk, and read the news while the fire is being started to cook the morning meal.

### AMUSEMENTS

#### OPERA HOUSE NEXT WEEK

The Grand has an excellent offering the first part of this week in the musical melodrama, "The Chorus Girl." The play is really a more ambitious and comprehensive piece than the little indicatives. It is a story of love and hatred and jealousy, of strong fidelity to duty, of wicked plots, and of tragedy and heroism with the ultimate triumph of right and the ignominious route of the villain.

Those who take the less popular parts were missed last night, while some of the others actually inspired cheers at the thrilling climaxes. Such demonstrations are certain evidences of an audience's appreciation of capability of the performers.

"Jolly" Della Pringle, who heads the company as Miss Saratoga, and Claude Kelly as Ross Holter, have the leading parts and handle them with thorough satisfaction. M. F. Hogan as Sampson Craft, the villain; John T. Hopkins as Sir John Balfour, Olive McConnell as Jasmine, and Laura Laird as the Prince Boy, all have much to do and do it well.

Laird contributes the best of the specialty turns.—The Tribune, Denver, Colo.

"The Chorus Girl" for one evening only at the Dorris Opera House Thursday, Nov. 14. Prices 25, 50, 75 cents and \$1.00.

**THE PARISH PRIEST**  
Which comes to the Dorris Opera House Friday, Nov. 15, should be well patronized, not only because this is its first visit to this city, but because of the clean humor, the well drawn characters, the naturalness of the situations and the lesson which is so successfully and truly taught to all. It cannot fail to impress the most blasé theater goer, and Daniel Sully never had a greater or more popular starring vehicle than "The Parish Priest."

Prices 25, 50, 75 cents and \$1.00. Seat sale at Boehmer's, cor. Center and Washington.

**"THE BELLE OF RICHMOND"**  
Will be the attraction at the Dorris Opera House next Saturday night, Nov. 16. This is the class of southern play which appeals to all, north and south alike. There is opportunity for plenty of specialties and in addition to the comedy introduced in the play should prove a sterling attraction.

Prices 25, 50, 75 cents and \$1.00. Seat sale at Boehmer's.

The annual meeting of the stockholders of the Arizona Publishing Co. will be held at the office of the company in Phoenix, Arizona, on Monday, November 18th, 1907, at 10 o'clock a. m.

**HIGHEST AWARDS**  
On Cocoa and Chocolate Made to Walter Baker & Co. Limited.

The Jor on Food Exhibits at the Jamestown Exposition have awarded to Walter Baker & Co. Ltd., a gold medal for "chocolate Preparations, Breakfast Cocoa and Cocoa Butter," and also a gold medal for "most admirable, effective and artistic installation of exhibit."

This makes the fiftieth highest award from the leading international and local exhibitions in this country and Europe for the superiority of the cocoa and chocolate preparations manufactured by the Baker Company. No other food product has a like record.

It is an interesting fact that the sales of cocoa and chocolate made by this concern go on increasing from year to year more than five times as fast as the increase in the population of this country.
